Spicer rides Sangster winner Snapdancer home from the couch

Syndicator Brad Spicer plans to return to the Gold Coast with yesterday's upset Robert Sangster Stakes (Gr 1, 1200m) winner Snapdancer but not to immediately cash in on the mare's skyrocketing value as a broodmare prospect, instead chasing more Magic Millions race day riches and Group 1 glory with the daughter of Choisir (Daneshill Dancer).

That could be as soon as The Goodwood (Gr

1, 1200m) at Morphettville on Saturday week or the Tatts Tiara (Gr 1, 1400m) at Eagle Farm during the Queensland winter carnival, an elated Spicer suggested last night from Melbourne.

"She is a really nice horse because we can freshen her, whether it's a three, four, five or six-week freshen, so she's ideal for that sort of scenario," Spicer told ANZ Bloodstock News.

"She loves the beach, she does a bit of work down at Balnarring and the team know her. That's pretty much where she's lived whenever she's in Melbourne." *Continued on page 2 >>*

<< *Continued from page 1* Ridden by Ethan Brown for trainers Ciaron Maher and David Eustace from barrier 15 yesterday, Snapdancer, sent out a \$17 chance, scored by a length and a half over stablemate Away Game (Snitzel) (\$7.50) with \$5 equal favourite September Run (Exceed And Excel) another length and a quarter away in third.

A winner of the \$1 million Magic Millions Fillies & Mares (1300m) in January, she also won the Triscay Stakes (Gr 3, 1200m) in February before a puzzling down-the-track performance in the Newmarket Handicap (Gr 1, 1200m) at Flemington, a race in which a number of favoured horses under performed.

"I couldn't really make sense of what happened last start," Maher said post-race.

"Track bias or whether she didn't like the straight, but we freshened her up and pretty much like what we did at the Gold Coast, and the main thing with her is the start.

"I said to Ethan, if you get the start, the rest is easy and I was very surprised how easily she got across (from the wide barrier)."

Snapdancer's Sangster success was also the first Group 1 for the Alice Springs-raised Brown.

"I can't really believe it. I left home at 15 years of age - mum and dad let me go, I was fortunate enough for that and it has been a lifelong dream," Brown said.

"To get it at such a young age, it is so surreal. I can't explain the

feeling (as) I've been in that situation before and been run down. Ciaron said to just make sure I was on top of her in the gates."

Spicer was also rapt to be able to enjoy Group 1 success with Brown, the pair creating a rapport about four to five years ago through the deeds of another talented mare in Platinum Angel (Snitzel).

"She jumped so well and she just got there so easily and, credit to Ethan, he just went with her and she travelled well in that soft ground," he said.

"Halfway up the straight I thought I'd better get off the couch because I think she's home.

"I am not one who likes to go early, but she had it pretty much in her grasp at the 300-metre mark."

As a three-year-old Snapdancer was placed in an Exford Plate (Listed, 1400m) and an Alexandra Stakes (Gr 3, 1600m) in Victoria, but the rising six-year-old's career-best form has been put down to training her as an out-and-out sprinter.

Spicer said: "It just took us a while to work out whether she was a miler and whether she wanted further, but to Ciaron's and J Mac's (James McDonald's) credit, they thought she was more of a brilliant mare and to keep her to the sprint races. Once we started to do that, we've seen the benefit of it."

A three-quarter sister to the stakes-placed Drago (Danehill Dancer), the Coolmore-bred Snapdancer is a daughter of Snapdragon (Galileo) whose value has soared courtesy of yesterday's Group 1 victory. *Continued on page 4>>*

<< *Continued from page 2* Having already been through an auction ring twice, selling for \$60,000 to agent Sheamus Mills at the 2017 Inglis Chairman's Weanling Sale before being resold at the following year's Magic Millions Gold Coast Yearling Sale to Spicer and original trainer Darren Weir for \$180,000, yesterday's win could place her valuation closer to \$2 million, if not more.

The 2020 Sangster Stakes winner Bella Vella (Commands), who finished 13th in yesterday's edition, sold for \$1.9 million at last year's Magic Millions National Sale.

Snapdancer has now won six of her 18 starts and earned almost \$1.3 million in prize-money.

"We thought she was worth between \$1 million and \$1.5 million before today and she can go back to the Gold Coast, carry 60 kilograms next January in a million dollar race, so we weighed it up and thought we'd put off selling her for another year," Spicer said.

"With her pedigree, she's out of a Galileo mare, so it is going to open up opportunities in both hemispheres. There will be major studs, and I won't name them, who I think will be pretty keen to have her in their broodmare band and hopefully she does end up with one of those so she can go to some of the best stallions in the world."

Agent Mills last night also recalled pinhooking Snapdancer out of the Chairman's Sale, which at the time conducted a weanling session.

"I remember looking at her at Newmarket in 2017, she was stabled across the road in the back stalls and she was just a filly that fitted my criteria. I've got a

very simple sort of philosophy on these fillies in terms of what I look for, I have an acronym in my head that I work off - Walk, Attitude, Girth, Length - they have to have WAGL and she had all of those," Mills said.

"I'm not that fussed on x-rays, legs, height, anything other than those four criteria really and she ticked those boxes.

"She's by Choisir who always gets a good horse. I'm also big on three-quarter relations and she's a three-quarter to Drago - he by Danehill Dancer and she by Choisir - and I always liked Drago as a horse so I bought her and now she's a Group 1 winner"

Her dam Snapdragon was sold to Aquis Farm in 2018 for \$60,000 to support their first season stallion The Mission (Choisir), a mating which produced an unnamed filly who will be offered for sale at the Gold Coast later this month. Snapdragon died in 2020.

While Snapdancer continues her career on the racetrack, runner-up Away Game (Snitzel) will be one of the most sought after mares to be offered at the Magic Millions National Sale on the Gold Coast later this month.

Away Game has finished second in three Group 1 races: the Golden Slipper (1200m), the Oakleigh Plate (1100) and now in the Sangster.

"Away Game, she must be the best bridesmaid in the country," Maher said.

Craig Williams said the well-supported last start William Reid Stakes (Gr 1, 1200m) winner September Run slipped at the start.

"That was detrimental from then on but she ran super to still finish in the placings," the jockey said.

Bigger things in store for Nettuno after Ken Russell victory

Tony Gollan has the spring in mind for Nettuno (I Am Invincible) while the juvenile's jockey Ryan Maloney has recommended the colt target Melbourne's premier three-year-old sprints next campaign after stretching his unbeaten record to three in the Ken Russell Memorial Classic (Gr 3, 1200m).

Despite more two-year-old Group races on the calendar during the Queensland Winter Carnival, culminating in the JJ Atkins Plate (Gr 1, 1600m) at Eagle Farm on June 11, leading Brisbane trainer Gollan indicated from the Gold Coast yesterday that the talented colt would not be seen again this season.

"He wasn't as good as what he'd been. When he won up at the Sunshine Coast, it was an improving Heavy 8 that day and this is a deteriorating Heavy 8 here today, if not a nine," Gollan said.

"I don't think he handled this ground as well. He wasn't the best version of himself today."

Winning by a combined nine lengths in his first two starts, at the Sunshine Coast and Doomben in March and April, Nettuno (\$2.20 favourite) had a long head to spare over Midnight In Tokyo (Kobayashi) (\$31) with former Western Australian filly Sheeza Belter (Gold Standard) (\$15) another length away in third.

Gollan remains upbeat that Nettuno, a colt owned by a high-profile group of owners including Black Soil Bloodstock's Brian Siemsen, co-breeder Yarraman Park and Kevin Maloney's Segenhoe Stud, can live up to his lofty opinion.

"There was a point there where he was able to be beaten and he was able to

Nettuno

MICHAEL MCINALLY

pick himself up and win. That's always a good quality in a horse, particularly a colt, when you win when you're there to be defeated," the trainer said.

"I think he's got a really, really promising future, this colt. I think he is probably one of the more exciting horses I've trained.

"There's a lot to look forward to I think in the spring with him now. I don't think we'll go again this winter, but I am really happy with that win."

Maloney, who has ridden Nettuno in all three starts and his two public barrier trials, said the colt settled better in the run yesterday than he had previously, even though Allude (Spirit Of Boom) was racing to his outside.

<< *Continued from page 6* "He's a quality colt, there's no doubt about that. He's probably getting towards the back end of his preparation now and this track is very genuine Heavy 10 and we got through it, but I think it was more his class that got him the win today," Maloney said.

"If he was mine, I'd be putting it away and setting him for the three-year-old sprints in Melbourne."

A \$500,000 yearling purchase by agent John Foote, Black Soil Bloodstock and Gollan at last year's Magic Millions Gold Coast Yearling Sale, Nettuno is one of seven named foals out of Group 3 winner Saint Minerva (Galileo).

Nettuno's three-quarter brother by Hellbent (I Am Invincible) was purchased by Dullingham Pty Ltd at this year's Inglis Melbourne Premier Yearling Sale while Saint Minerva, who has a 100 per cent winners to runners strike-rate from five to race, died last October.

I Am Invincible, the sire of 77 stakes winners, is also the sire of this season's brilliant three-year-old colt, dual Group 1 winner Home Affairs, who won the Coolmore Stud Stakes (Gr 1, 1200m) at Flemington last spring and the Black Caviar Lightning Stakes (Gr 1, 1200m) in February.

Prince Of Boom overcomes wide run to take out Gold Coast Guineas

Also at the Gold Coast yesterday, talented three-year-old Prince Of Boom (Spirit Of Boom) waged a stirring battle against Cambridge Stud's

soon-to-be first season Group 1-winning sire Sword Of State (Snitzel) in the Gold Coast Guineas (Gr 3, 1200m).

It was the Robert Heathcote-trained gelding, last season's BRC Champagne Classic (Gr 2, 1200m) winner, who came up trumps, scoring by a nose in the last stride to bring up a hat-trick of victories this campaign.

Prince Of Boom, whose record now stands at an impressive five wins from eight starts, defeated the Mark Walker-trained colt, who lost few admirers on his return to Australia, while there was four and a half lengths back to Grey Defence (Instinction) back in third. *Continued on page 10>>*

<< *Continued from page 8* Heathcote was not on course to witness Prince Of Boom's victory first hand, instead making the trip north to Rockhampton for the inaugural running of the \$440,000 The Archer (1300m), a journey made worthwhile when his representative in the Queensland country slot race Emerald Kingdom (Bryannbo's Gift) won the race.

His racing manager Melanie Sharpe has been in charge of the stable while Heathcote has been in Central Queensland, making it a "stressful couple of weeks".

"I'm just so thrilled for the owners today to get this win. It was a lovely ride (from Jimmy Orman), three deep and he was patient. It was beautiful," Sharpe said.

"The pure will and determination of this horse, what he's done is unreal. He's just a dream boat, to be honest. He's never, ever been a worry at all. He's just so cruisy and lovely. We just adore him."

Prince Of Boom's three unplaced runs came in the BRC Sires' Produce Stakes (Gr 2, 1400m) and in two early season three-year-old races last August and September when it was discovered he had a breathing issue.

Orman did not panic despite being caught wide in yesterday's Guineas.

"I didn't want to burn him just to get to the fence when I'm coming off anyway," the winning jockey said.

"I was happy. It's not good to be three deep but it didn't really worry me in that circumstance because I wanted to get out wide anyway, but it was a good win.

"He was always there, but I just thought I'd been beaten right on the line, but I was lucky I had my head down."

Orman added: "He's a nice horse. He's come back well from his breathing issue."

From the fourth crop of Eureka Stud's Spirit Of Boom (Sequalo), whose fee this year remains unchanged at \$33,000 (inc GST), Prince Of Boom is one of two winners out of Dazzling Display (Red Dazzler), herself a half-sister to Group 2 winner Express Air (Piccolo), and a family developed by the Queensland stud's McAlpine family. Proving the Spirit Of Boom cross works with the family, Express Air is in turn the dam of the stakes placed Simply Fly.

Prince Of Boom was sourced from the 2020 Magic Millions March Yearling Sale by Adrenaline Thoroughbreds for \$20,000, a bargain price considering what has transpired since, earning almost \$650,000 in prize-money so far.

Sunshine Coast-based trainer Stuart Kendrick has the unraced two-year-old half-brother Shot 'N' Shell (Smart Missile) to Prince Of Boom while their dam has a weanling filly by Defcon (Choisir) and she is back in foal to Spirit Of Boom this year.

MORNING BRIEFING

AUSTRALIA

12 for Choiris

Snapdancer (5 m ex Snapdragon by Galileo) provided the late Choiris (Danehill Dancer) with a 12th individual Group 1 winner when she came out on top in yesterday's Robert Sangster Stakes (Gr 1, 1200m) at Morphettville. Leading home what was an impressive quinella for the Ciaron Maher and David Eustace stable, the five-year-old mare stayed on well inside the final furlong to beat Away Game (Snitzel) by a length and a half under Ethan Brown, his first Group 1 success, with a further one and a quarter lengths back to September Run (Exceed And Excel) in third. Out of the Galileo (Sadler's Wells) mare Snapdragon, Snapdancer is a half-sister to multiple winners including the Group 3-placed winner Drago (Danehill Dancer). A half-sister to the mare by The Mission (Choisir) will be sold as **Lot 524** at the upcoming Magic Millions Gold Coast National Broodmare Sale. Choiris died in December last year.

First for Caravaggio

Powderfinger (2 f ex Count Your Fingers by General Nediym) provided Caravaggio (Scat Daddy) with a first Australian winner yesterday at Kembla Grange when she landed the Bailey Interiors Maiden Handicap (1200m). Trained by Gary Portelli, the two-year-old filly ran out a half-length victor over Latin Lyric (Wandjina) with a further head back to Topple (Bullet Train) in third. A \$100,000 purchase at last year's Inglis Classic Yearling Sale, Powderfinger is a half-sister to winners Criminal (Pride Of Dubai), Glamouring (Pride Of Dubai) and Irish Vega (Lope De Vega). Powderfinger is out of the Group 3-placed winning General Nediym (Nediym) mare Count Your Fingers,

herself a half-sister to the Group 3 winner and Group 1-placed gelding Kutchinsky (Anabaa). Coolmore shuttler Caravaggio stands at Ashford Stud for US\$35,000 (approx. AU\$49,450).

Nine for The Mission

The Mission

AQUIS

Aquis Farm stallion The Mission sired his ninth individual winner when Yellow Brick (2 g ex Magical Mist by High Chaparral) narrowly prevailed in a maiden over 1100 metres at Ipswich yesterday. Trained by Tony and Maddysen Sears, the two-year-old gelding, a \$20,000 purchase for Tony Sears Racing and Paul Moroney Bloodstock at last year's Magic Millions Gold Coast National Yearling Sale, beat the Natalie McCall-trained Invinovich (I Am Invincible) by a neck with a further two lengths back to Spooky Spirit (Spirit Of Boom). Out of the winning High Chaparral (Sadler's Wells) mare Magical Mist, Yellow Brick is a half-brother to 2020 Rough Habit Plate (Gr 3, 2200m) winner Ballistic Boy (Smart Missile) and to recent Port Adelaide Cup (Listed, 2500m) winner Splendiferous (Pride Of Dubai). A half-sister to Yellow Brick by Manhattan Rain

will be sold as **Lot 1189** at the upcoming Magic Millions Gold Coast National Broodmare Sale.

Three for Spieth

Victory Moments (2 g ex Tris by Street Boss) broke his maiden in emphatic style at Ipswich yesterday, providing Aquis Farm stallion Spieth (Thorn Park) with a third individual winner. Sent off as the odds-on favourite, the Kacy Fogden-trained two-year-old ran out a four and a half length victor over Dark Harmony (Mikki Isle) with a further three-quarters of a length back to Fire Kirin (Russian Revolution) in third. Victory Moments is the first foal to race out of the Group 3-winning Street Boss (Street Cry) mare Tris.

Back-to-back Hollindales for Zaaki

It was back to where it all started for Zaaki (Leroidesanimaux) yesterday on the Gold Coast when the Group 1-winning star made it back-to-back wins in the Hollindale Stakes (Gr 2, 1800m), just 12 months on from announcing himself in Australia with an easy victory in the race. Ridden by James McDonald for Annabel Neasham, Zaaki was allowed to control the race from the front, setting a relentless gallop and staying on strongly to beat Polly Grey (Azamour) by three-quarters of a length with a further half-length back to Kukeracha (Night Of Thunder) in third. "James knows him so well, and he took luck out of the equation. For a moment there, I thought the second two horses were coming thick and fast, and credit to them, they kept him very honest all the way to the line - but he was too good," the winning trainer said. Zaaki took his record to 12 wins and 11 placings from 34 starts with career earnings now over \$7.2 million with yesterday's win.

77 for I Am Invincible

Yarraman Park Stud stallion I Am Invincible (Invincible Spirit) scored a feature-race double yesterday to take his tally of individual stakes winners to 77. Nettuno (2 c ex Saint Minerva by Galileo) improved his record to three wins from three starts as he held on well in the Ken Russell Memorial Classic (Gr 3, 1200m) at the Gold Coast. Trained by Tony Gollan and ridden by Ryan Moloney, the two-year-old colt went off the 5-4 favourite for the contest and scored by a head over Midnight In Tokyo (Kobayashi) with a further length back to Sheeza Belter (Gold Standard) in third. Later on in the day, the stallion brought up the double when Blondeau (4 g ex Bit Of Cheek by More Than Ready) won the Takeover Target Stakes (Listed, 1200m) at Gosford for champion trainer Chris Waller. The four-year-old gelding was another narrow winner, scoring by a head over Gospodin (Proisir) with a further one and three-quarter lengths back to Majestic Shot (Shooting To Win) in third. A \$360,000 purchase at the 2019 Magic Millions Gold Coast Yearling Sale, Blondeau is a half-brother to recent Nowra scorer Mr Cheeky (Medaglia D'Oro). Blondeau is out of the winning More Than Ready (Southern Halo) mare Bit Of Cheek, a sister to the multiple winning gelding Roguish. I Am Invincible will stand for \$247,500 (inc. GST) for the upcoming breeding season.

75 for Sebring

Dynasties (3 f ex Empress Rock by Fastnet Rock) provided Sebring (More Than Ready) with a 75th individual stakes winner when she landed yesterday's Gold Coast Bracelet (Listed, 1800m). The Peter and Paul Snowden-trained filly was ridden by James McDonald, the first of a stakes race double for the jockey, and beat the well-fancied favourite Gypsy Goddess (Tarzino) by half a length, with the pair pulling a further length clear of the third-placed Smirk (Preferment). A homebred for John Camilleri's Fairway Thoroughbreds, Dynasties is the second winner from as many to race out of the Kewney Stakes (Gr 2, 1400m) and Moonee Valley Classic (Gr 2, 1600m) winner Empress Rock (Fastnet Rock).

First for Scissor Kick

The Gary Duncan-trained Dzsenerifer (4 m ex Phaedra by Hussonet) scored a first stakes

success in the Silk Stocking (Listed, 1400m) at the Gold Coast yesterday, providing Scissor Kick (Redoute's Choice) with a first individual stakes winner. Ridden by Craig Williams, the three-year-old filly was impressive when beating General Beau (Brazen Beau) by two and three-quarter lengths with a further three-quarters of a length back to Manhattan Times (Manhattan Rain) and Bacchanalia (Exceed And Excel) who dead-heated for third. "She is owned in Adelaide and was born here, so we come back occasionally to have a bit of fun," Mark Kavanagh said. "The ride was gold. She travelled so well, first-time blinkers - just magnificent." Purchased by her trainers for \$50,000 out of the Mill Park Stud draft at the 2020 Adelaide Yearling Sale, Seradess is out of the stakes -placed Hidden Dragon (Danehill) mare Obsidian Dragon, herself a half-sister to the

The victory took her record to three wins from four starts, with the only blemish on her record coming when a solid second to stablemate See You in Haven (Divine Prophet) in the Dequetteville Stakes (Listed, 1050m) on her previous outing. "It's great to win these races with fillies; it puts value on them," Richard Jolly said. "That was her race today. She didn't know how to put that filly inside of her away. She got the better of her, but it was a nail biter." Bred by Gerry Harvey, Aitch Two Oh was a \$65,000 purchase by her trainers from the Baramul Stud draft at last year's Magic Millions Adelaide Yearling Sale. She is the first runner for the winning Swiss Ace (Secret Savings) mare Very Dogmatic, a sister to the Group 3 winner Mywayorthethehighway. Silent Sovereign (5 m Dalakhani - Silent Surround by Face Value) scored his biggest win to date when coming home a narrow winner of the Queen Of The South Stakes (Gr 2, 1600m) at Morphettville yesterday. Trained by Tony and Calvin McEvoy and ridden by John Allen, the five-year-old mare added to her Schweppervescence Stakes (Gr 3, 1800m) success when beating Foxy Frida (Foxwedge) by a neck with a further three-quarters of a length back to Comica (Magnus) in third. "Tony's instructions were just blinkers for the first time and she could be a little keen. Just let her jump out and ride her where she's comfortable, and he did just that," stable representative Sarah Rutten said. "He didn't find any traffic and led her all around the field, and she was strong late." Out of the Group 3-winning and Group 2-placed Face Value (Red Ransom) mare Silent Surround, Silent Sovereign is a half-sister to Morphettville Guineas (Listed, 1600m) winner Silent Command (Commands).

McKay to Free Of Debt

The Chris Bieg-trained Free Of Debt (5 g Unencumbered - Stagerush by Giant's Causeway) scored a narrow success in the D C McKay Stakes (Gr 3, 1100m) at Morphettville yesterday on his return to action, doubling his stakes tally to two after last year's W H Wylie Handicap (Listed, 1100m) win. Ridden by Dom Tourneur, the five-year-old gelding left it late to put his head in front, beating Savatoxl (Kuroshio) by a head with the same distance back to The Inferno (Holy Roman Emperor) in third. Free Of Debt is the best of five winners from as many to race out of the Melbourne-winning Giant's Causeway (Storm Cat) mare Stagerush and is a half-brother to winners Free Of Sin (Keep The Faith) and Lucky Reward (Reward For Effort).

Numerian lands Gosford Gold Cup

Irish import Numerian (6 g Holy Roman Emperor - Delicate Charm by High Chaparral) broke through yesterday for his first win in Australia when taking out the Gosford Gold Cup (Listed, 2080m). Now trained by Annabel Neasham, having moved from Joseph O'Brien's yard, the six-

year-old gelding beat Great House (Galileo) by three-quarters of a length under Sam Clipperton with a further one and a quarter lengths back to Mirann (Motivator) in third. "He was probably the class horse in the race on paper, but he had to lug the class horse's weight as well," Clipperton said. "He's a lovely horse and I think with cover, he will race over 2400 (metres) quite well and well placed by Annabel today."

Rustic Steel hits the jackpot

Having finished down the field on \$101 shot Trumbull (Darci Brahma) in the Takeover Target, the race named after the sprinter he had such a good partnership with, Jay Ford produced a well-judged front-running ride to land yesterday's \$500,000 The Coast (1600m) at Gosford aboard Rustic Steel (4 g Deep Field - Ten Carat Rock by Rock Of Gibraltar). The Kris Lees-trained gelding was tackling 1600 metres for the first time but was given an uncontested lead and held on by just under half a length from O'President (Fastnet Rock) with a further one and a half lengths back to Old Flame (Invincible Spirit) in third. "We didn't expect to lead," Ford said. "He jumped straight on the bridle and no-one wanted it, so I took it. From the half-mile in I just built the revs because Kris said he was a horse that liked to get in a rhythm and just blend into his races. When we were able to do as we pleased from the front, I always thought it was going to take something good to get over the top of me late."

Queensland awaits Resonator

A Brisbane raid looks set for the Gai Waterhouse and Adrian Bott-trained Resonator (2 g Brazen Beau - Dejavu Rock by Fastnet Rock) after he took out the first race at Gosford's stand-alone meeting yesterday. Ridden by Tim Clark, the two-year-old gelding dug deep to hold on by a neck in the Vital Hospitality Group 2YO Handicap (1200m) from Zou Tiger (Zoustar) with a further length and three-quarters back to Northern Beaches (Not A Single Doubt) in third. The son of Brazen Beau (I Am Invincible) is now unbeaten in both starts this preparation and is nominated for the BRC Sires' Produce Stakes (Gr 2, 1400m) and J. J. Atkins Stakes (Gr 1, 1600m), both at Eagle Farm. "I think a good Queensland campaign beckons for him now (after) two promising wins," Clark said. "We could have gone another furlong there and the second horse was never going to get past him. He was always going to hold it. He just feels terrific in himself at the moment too. He's in a really good space at the moment so onwards and upwards."

Rubick's Lincoln Square scores on debut

Having been given only a 50-50 chance of survival after an operation took a bad turn last year, the Greg Eurell-trained Lincoln Square (2 g Rubick - Redasun by Haradasun) made a winning debut at Caulfield yesterday. "It was a challenging situation," Eurell said. "He was gelded late spring, and everything went fine, but four days later a haemorrhage ruptured, and he was in a very bad way and it was 50-50 whether he'd survive or not. He took a bit to recover, he kept making good progress week by week and was really starting to improve. We would've liked to have had him in earlier but that came out of left field." The two-year-old was a comfortable two-length winner over Liberty Steps (Sidestep) with a further half-length back to Merchant Prince (Written Tycoon) in third. "I think he's done an enormous job today and getting that win under his belt gives us a good opportunity to plan ahead," Eurell said.

Lord Cosmos (2 g ex Cosmic Powers by Not A Single Doubt) provided Coolmore stallion Pierro (Lonhro) with a 29th individual stakes winner when successful in the Waikato Equine Veterinary Centre Stakes (Listed, 1200m) at Te Rapa yesterday. Trained by Mark Walker for Te Akau Racing, the two-year-old gelding ran out a half-length winner over Mazzolino (Savabeel) with a further two and a quarter lengths back to Westwood (Charm Spirit) in third. "He is a horse we have a lot of time for and he has just

needed a little time to mature," Walker said. "I thought the Te Rapa track was superbly presented today as it was fair for all horses and he was able to run his race from the back and be too good over the closing stages. He is a horse who is going to keep getting better with age as he is a real athlete and just needs to strengthen even further." Lord Cosmos is the only foal out of the winning Not A Single Doubt (Redoute's Choice) mare Cosmic Powers. Pierro will stand for a fee of \$99,000 (inc. GST) for the upcoming breeding season.

The Lisa Latta-trained Diss Is Dramatic (2 f ex Our Drahma Queen by Darci Brahma) scored a career-best victory at Riccarton yesterday when winning the Berkley Stud Champagne Stakes (Listed, 1200m). Ridden by Tina Comignaghi, the two-year-old filly managed to get the better of a good duel with the runner-up Redmond (Ghibellines) to win by three-quarters of a length with a further neck back to Cheveux (Belardo) in third. "Diss Is Dramatic had been a little unlucky last time as she got squeezed out of a gap when she was starting to make her run," Latta said. "Tina rode her perfectly as she kept her in the clear and when she asked her to extend, she really showed some fight to get away on them near the finish." Out of the winning Darci Brahma (Danehill) mare Our Drahma Queen, Diss Is Dramatic is a half-sister to Randwick winner Cap Estel (Zoustar). The win provided Riverdene Stud stallion Dissident with a third individual stakes winner. The Group 1-winning son of Sebring (More Than Ready) will stand the 2022 breeding season for \$6,600 (inc. GST).

Six for Ghibellines

Live Drama (5 m ex Sheeza Drama by Pure Theatre) provided White Robe Lodge stallion Ghibellines (Shamardal) with a sixth individual stakes winner when scoring in the Great Easter Handicap (Listed, 1400m) at Riccarton yesterday. In what was a 1-2 for local trainer Lance Robinson, the five-year-old mare was ridden by Kavish Chowdhury and beat stablemate Khimar War (Sweet Orange) by a length and three-quarters with a further neck back to Scarfi (Makfi) in third. "I really thought both horses

Ghibellines

WHITE ROBE LODGE

were very big chances although I did lean a little towards Live Drama as I think she may just have a touch more class than Khimar War," Robinson said. "In the end she really showed her class after a top ride by Kavish. He took the initiative to track up along the fence when they were all going wide and when she got to the front, she ran away. I was trying to watch them both but ended up on Khimar War to see if he could get second as I knew she had it won with 200 metres to run. It is just a fantastic result for us and very satisfying." Out of the Pure Theatre (Nureyev) mare Sheeza Drama, Live Drama is a sister to debut Riccarton winner No Drama and half-sister to winner Says Me (Rothesay). Ghibellines will stand the upcoming breeding season for \$5,000 (plus GST).

Yulong Prince to stand at Glen Eden Stud with support from Group 1 winner's owner Zhang

Glen Eden Stud is determined to rebound from the loss of Rebel Dane (California Dane) to the Hunter Valley by standing three new stallions at its Victorian farm this year.

Breeder Yuesheng Zhang has entrusted Glen Eden with standing dual Group 1 winner Yulong Prince (Gimmethgreenlight) while studmasters Sonia O’Gorman and Rory O’Brien have also recruited Trust In A Gust (Keep The Faith) from Swettenham Stud and the Sun Bloodstock-owned Palentino (Teofilo) from Widden Victoria.

Service fees for the trio will be announced in the near future.

Cantala Stakes (Gr 1, 1600m) winner Yulong Prince, who also won the Daily News 2000 Stakes (Gr 1, 2000m) in South Africa prior to Zhang’s purchase of the horse, stood his first season at Yulong Stud last year, covering 84 mares in his maiden season at a fee of \$9,900 (inc GST).

“Mr Zhang loves the horse, he was his first Group 1 winner and he still owns the horse outright and he reserves the right to breed to him as much as he likes,” O’Brien told ANZ Bloodstock News.

“The best-case scenario is that Yulong Prince ends up back on the Yulong roster as a resounding success. Given the blueprint we left with Rebel Dane and what we achieved last year, given the profile of that horse, I think Rebel has probably gone a long way to securing Yulong Prince for us.

“We see it as a brilliant opportunity and we feel honoured and privileged to be entrusted with such a precious animal from someone like Mr Zhang who has invested so much in the industry.”

Bred by South Africa’s Varsfontein Stud, Yulong Prince is one of 41 stakes winners by the Australian-bred son of More Than Ready (Southern Halo) Gimmethgreenlight.

“Yulong Prince was a very impressive horse on two fronts,” his Australia-based trainer Chris Waller said.

“Firstly, his ability to compete at a high level overseas and then come to Australia and adapt to our conditions of training and racing, once again at the highest level; a great feat not comparable by many.

“Secondly, he was a very good-looking horse with a good attitude, and obviously sound and well performed.”

Trust In A Gust, the sire of four winners in as many weeks from limited opportunities, will also head south to Glen Eden Stud, near Kilmore.

“He is still owned by the boys from Swettenham but it is essentially a long-term deal between friends,” O’Brien said.

“Little known to a lot of people at the moment, Trust In A Gust is actually trending in a good direction, he’s had four winners in the past month. He is leaving runners and the best is still to come with the fact he’s a late maturer.

“Patience is a virtue and it’s something that’s lacking across the board in the breeding space, but that’s what the commercial market demands. However, we’re prepared to play

at the other end of it with patience and at a numbers game.

“For the breed-to-race market, at the price we’re going to stand him at, he’s going to be quite appetising to mare owners.”

Swettenham’s Sam Matthews was delighted that Trust In A Gust, the 2014 winner of the Sir Rupert Clarke Stakes (Gr 1, 1400m) and Toorak Handicap (Gr 1, 1600m), will continue his career as a stallion at Glen Eden.

“Rory did such a great job with Rebel Dane and we’ve got a good relationship with Glen Eden ... and we feel he’s well suited on their roster,” Matthews said yesterday.

“There’s still plenty of upside in the horse and we’ll still be supporting the horse ongoing as well.

“I still think there’s plenty there for the breed-to-race and the breed-to-sell market as well.”

The third acquisition for Glen Eden is Palentino, an Australian Guineas (Gr 1, 1600m) and Makybe Diva Stakes (Gr 1, 1600m) winner who has spent five years at Sun Stud (Widden Victoria last year).

“Palentino has 359 live foals with the oldest being four, the stallion’s by Teofilo who in my opinion is probably a four- and five-year-old stallion, and that’s when you’re going to see the best of them,” O’Brien said.

“Palentino didn’t race at two, but he had an excellent three-year-old season and he was clearly a three-year-old racehorse, which always appeals to me as a punter, and then he had a great four-year-old season.

“He deserves a spot on the roster, he deserves to be offered to breeders because of what he’s already achieved as a stallion in regards to numbers, and the probability of him getting a really good horse with those numbers is actually quite favourable.”

Rebel Dane, the sire of this year’s Golden Slipper (Gr 1, 1200m) and Inglis Sires’ (Gr 1, 1400m) winner Fireburn, will stand at Widden Stud in the Hunter Valley this year at a fee of \$27,500.

He spent the past three seasons at Glen

Eden Stud, covering 49 mares last year, the most in his five years at stud so far.

Argentinian-born Giant’s Steps (Giant’s

Causeway), a dual Grade 1 winner who was crowned Chile’s champion three-year-old in 2012-13, remains on the Glen Eden roster in 2022.

Camilla Wishaw - Equine Naturopath

Growing up in Tasmania at her parent's iconic Armidale Stud, Camilla Wishaw was destined for a life deeply attached to the thoroughbred. As a horse-mad teenager, she suffered serious health problems and naturopathic medicine turned her life around. This sparked her deep respect and fascination for naturopathy and so she decided to somehow bring the benefits of it to horses. The 35-year-old is now a successful sole practitioner and consults the thoroughbred racing, breeding, and performance horse industries throughout Australia and overseas. She has a particular passion for stallion fertility, problem pregnancy mares, digestive health, and immune challenges.

Jo McKinnon caught up with Camilla to talk about her journey so far in an intriguing line of work.

Camilla, what sparked your interest in equine naturopathy?

I was born and bred on a thoroughbred stud and so grew up helping mum and dad with the horses and grew up doing pony club, eventing, showjumping, and dressage and always had an affinity with horses and wanted to work with them. In my final two years of school, I had chronic fatigue syndrome and fibromyalgia and there was nothing that conventional medicine could do to help so I ended up seeing a brilliant natural medicine practitioner that turned around my health. I had come from a medically minded background with uncles and aunties who were doctors and so natural medicine was never

Camilla Wishaw equine naturopath

really thought about and the way it turned my health around I thought there really is definitely something in this. I was also an active and sporty teenager and was really interested in the nutrition side of things in terms of sports performance.

What ultimately set you on the path to then follow through with your interest in naturopathy and make it a career?

When we were kids we were told we had to get a trade or get a degree and work for someone else before we came back to the farm or if things went belly up and we needed something to fall back on. So that combined with all those things led me to study for a bachelor's degree in human naturopathy. There are no degrees in horses so to get a really thorough understanding and scientific

evidence-based background and do that was really important.

Then I was fortunate to get onto the Darley Flying Start program and with my ambition, I wanted to merge human naturopathy and horses because I could see there was such a lag in the way we treated horses and I thought we treated things in a really backward way and in a lot of cases that could be detrimental to horse's health. While I was on the course I took every opportunity to align myself with some top equine vets and surgeons around the world and met some brilliant ones along the way that gave me the opportunity to apply what I learned and my theories and help them with their cases. I also had a passion for stallion fertility because if one has issues there are not a lot of things pharmaceuticals can do and I knew that herbal therapies could help and that

was an area I could sink my teeth into. I did a season at Vinery Stud as a stallion groom knowing that being a female and all of five foot tall working hands-on with stallions I would probably be laughed at. So after I got that invaluable experience at Vinery I was given the opportunity to go to Darley, when Henry Plumptre was managing it, and advised and worked with them across the board as an equine naturopath, and a year and a half later took a leap of faith to go out on my own and haven't looked back since.

The initial journey you had working with Darley, how did that all go?

Brilliantly. I worked with a lot of the racehorses through rehab and with several stallions. It was a phenomenal time and something I am certainly grateful for with the variety of horses and cases we had which gave me the confidence to go out on my own.

Was there a particular outcome during that time that you remember well?

I signed some confidentiality agreements so can't specifically say but there were definitely stallions that stood out and without involvement, they wouldn't have continued at stud at the level they have and there was a racehorse that had a severe suspensory lesion that went on to win a Group 1 and is now at stud. There were some really pivotal horses and I was fortunate to work with a lot of racehorses in the system and so you see a wide range of injuries and helping those horses get back on track, especially if their prognosis was poor, was very rewarding. I don't think of it often now but looking back I was given free rein on horses worth millions. Every horse I approached I didn't think of its value. I would simply go through its health and medical history and was always working at identifying and addressing the problem and that's what you need to do to turn its health around. It's not until you take a step back that you think crikey!

How essentially do you work?

The first part is assessing the horse and taking a really thorough case history. Essentially it involves seeing a horse and going through its diet looking at how it is managed, how much time is it in a stable, is turned out and is it rugged, because if it is rugged it reduces its vitamin D production and its an essential nutrient as an anti-inflammatory and for bone health. Assessing a horse's body condition is important, especially in relation to stallions. A

lot of us like our stallions fatter but that reduces testosterone production so looking at their diet and digestibility of it, the composition of it from an energy and nutrient perspective, and fat perspective. A lot of our horse's diets are high in omega-6 fatty acids and low in omega-3 fatty acids, which makes the diet inflammatory. If it's a stallion fertility issue I will go through semen analysis results and always talk to who handles the horse because they pick up on nuances and some of those little things can be incredibly valuable as to how you approach and treat a case. I go through any medications as a lot of them will change gut integrity and health and nutrient requirements and how it metabolises nutrients, and supplements. A lot of people are using a bucket load of supplements. People are trying multiple supplements and medications and it's going through that and carefully analysing them. I'm not affiliated with any feed or supplement company so if I don't like anything it's out. The vast majority of nutritional supplements on the horse can't digest and absorb and utilise minerals. Unfortunately, there is very little regulation of those supplements. Following a consultation, I will type up a treatment plan outlining what's happening, and the contributing factors and recommend dietary management changes, and prescribe nutraceuticals and herbal medicines. I use human-grade liquid herbal extracts and depending on the issue I will make a combination of four to six herbs to help what's happening with that horse. It's really comprehensive and basically, you come in as a detective and look at everything that's happening. I'm a step removed and when people are working with their own horses and have issues they can't see the wood for the trees but in a majority of cases it can be very obvious what's happening and why and specify treatment aims and goals. If I prescribe a change my ethos is that every change must meet all treatment aims. With alternative therapies, there's a lot of hocus pocus. I feel a real need and sense of duty to do things diligently and have a science and evidence-based approach to the way I operate.

Are we complicating the diets and management of our horses too much?

You have probably hit it on the head, in a vast majority of cases, we are probably mollycoddling our horses too much. We over-medicate. We want quick solutions without addressing the way we are managing and feeding and so we overcomplicate

things. The more advancements we make with drugs and pharmaceuticals long term they are detrimental to the health of horses and we are getting too far away from the actual cause. Side effects of pharmaceuticals are changes in metabolic factors and nutrient utilisation of a horse and we are making problems for our horses. Sometimes we think we are being smarter but we are getting farther away from the horse. Sometimes you think where is the horsemanship in this? We need to look at the horse in front of us and understand it as a horse and look at what's happening in a living creature instead of taking a mechanistic approach.

How much is gut health driving a lot of the issues horses have?

It underpins just about every case. There wouldn't be a case I treat where there is not an element of it. It goes back to feed management and medication. Gut health is compromised in our modern practices. The integrity and microflora are incredibly sensitive to the way we feed and out our horses under stress and when we get compromises in the gut the systemic effects of it are significant. It's linked so much and unless we address it properly you only get so far.

Do you feel horse owners and trainers are becoming more aware of how to better manage horse health through more natural and practical means?

People still tend to be reactive more than proactive when it comes to this but the smart trainers and breeders are cottoning on and get you in earlier to help rather than when the wheels have fallen off.

Will you stick to what you are doing? Is this a long-term career choice for you?

I love it. If I didn't I wouldn't be doing it. It's come with its challenges along the way because as soon as you say natural medicine it can conjure up some negative images and you get really stubborn people in the horse industry. If I wasn't passionate I would have been crushed a long time ago. I have seen so many good results and am passionate about doing what's best for the horse and making better decisions in terms of health and welfare and productivity and helping them realise their full talent. To be successful at what you do you have to be passionate about it and I certainly am.

Teetan stars with four-timer as Lor retains lead in trainers' title

Riding in peak form, Karis Teetan slotted a four-timer at Sha Tin yesterday to continue a stunning recent run as Joao Moreira edged clear from Zac Purton in the pair's gripping battle for the 2021/22 Hong Kong jockeys' title.

Teetan's four winners and the treble which pushed Moreira to a 114-109 championship lead over Purton came with Tony Cruz and John Size locked on 1,399 career Hong Kong wins - a figure previously traversed only by all-time record-holder John Moore (1,735).

Size, who had a double yesterday to move to 69 wins for the season, and Cruz, who has 54 victories for the term, will renew the race for the 1,400 milestone at Happy Valley on Wednesday night.

Teetan, who savoured QEII Cup (Gr 1, 2000m) and Hong Kong Derby (Listed, 2000m) victories on Romantic Warrior (Acclamation) this season, was elated after his haul aboard Super Fortune (Zoustar) for Cruz, Good Luck Friend (Swiss Ace) for Ricky Yiu and Frankie Lor's Looking Cool (Redwood) and Dragon Fortune (Per Incanto).

"It's nice to ride a few winners and things are going well," said Teetan, who also had a double at last Wednesday's Sha Tin fixture. "Without the support, it's not easy. So, thank you to all the trainers and owners for their support. I'm very happy with the way things are going."

The Mauritian now has 63 wins for the season.

Lor narrowly holds sway in the trainers' standings - 70-69 - after matching his former mentor's feat of notching a double.

Size, the 11-time championship winner in Hong Kong, remains strongly in contention after victories by Erimo (Street Boss) and Power Koepp (Equiano) - both were ridden by Moreira.

"We've had a couple of winners today, which is good," Size said before addressing the title race.

"I've never been confident because it's so close so I'll keep trying and see what happens."

Apart from his double for Size, Moreira also scored aboard Red Elysees (Champs Elysees).

Cruz continued his push towards 1,400 with Super Fortune's success in the Class 3 Celosia Handicap (1200m) under Teetan. A son of Zoustar (Northern Meteor), Super Fortune improved his record to three wins from nine starts.

Ricky Yiu is optimistic Good Luck Friend, winner of the Class 2 Carnation Handicap (1400m) under Teetan, can continue to thrive after returning to peak form.

Winless since being crowned Champion Griffin in 2019/20, the gelding carried only 113lb for Teetan - a crucial factor in the decision to race on the speed.

"He's a very nice, very genuine type of horse," Yiu said. "I encouraged the jockey that he hasn't carried that weight for a long time or he hasn't carried that 113lb before, so have him positive somewhere with the light weight."

"He's not a difficult horse to ride, he's straight-forward. With the weight, I said to the jockey, I thought he would perform. He needed 1400 metres."

"Hopefully Karis will ride him again. With

the rating of 85, if he goes up five, he'll be in the middle of Class 2 and he will do it again. He'll perform again. He's a very honest horse."

Champion trainer in 2019/2020, Yiu has tallied 34 winners this term and expects more before the season's close.

"The stable is full of youngsters and they still need a bit of time for them to perform, but gradually the winners will come," Yiu said.

Teetan secured a treble aboard Looking Cool in the Class 3 Daphne Handicap (1600m) for Lor. Formerly named Sequoideae when trained in Australia by Stuart Kendrick, Looking Cool will benefit from more racing, according to Lor.

"You can see he still throws his head around," said Lor. "I think he will improve with more racing as he gets older."

Teetan closed the meeting in tandem with Lor when Dragon Fortune landed the Class 3 Chamomile Handicap (1400m).

Douglas Whyte predicted Majestic Knight (Redoute's CChoice) will continue to flourish after his emphatic victory in the second section of the Class 4 Erica Handicap (1200m) for Lyle Hewitson.

“I think he will be competitive in Class 3, but again I will reiterate that he’s only three-years-old and what he’s done today with 133lb is quite impressive, and he’s still got next season to look forward to,” Whyte said.

Moreira coaxed the best out of veteran Red Elysees in the Class 4 Jasmine Handicap (1800m) for Manfred Man. It was the nine-year-old’s fifth win at his 73rd Hong Kong start.

Moreira’s double for Size came in the Class 3 Balsamine Handicap (1000m) with Power Koepp before piloting Erimo to a breakthrough success in the Class 4 Hydrangea Handicap (1400m).

Paul O’Sullivan followed a Wednesday night double with Vukan’s (Sacred Falls) triumph in the Class 5 Lotus Handicap (1600m) under Derek Leung.

“The mile suits him now and he just toughed it out. Derek said before the race ‘I think they’ll go quick and there might be a hole in the middle’ and that’s how it turned out. I think as he’s got older, he probably wants to go further, he just hasn’t got a lot of early speed

Joao Moreira claiming a treble

HKJC

and he possibly could get 1800 metres later in the season. It was a good, tough win.”

Victor Wong celebrated his second win of the season when Faulds (Swear) saluted at 34-in the first section of the Class 4 Erica Handicap (1200m) for Denis Yip.

Posting his first winner since Alcari’s (All

Too Hard) success on December 5, Wong said: “Yes, I’ve been waiting for a long time to get a winner. I was a bit surprised. The horse dropped in class and he improved. He was very comfortable in the run and he finished off really well.

“I’ve just been working hard.”

ANOTHER STAKES-WINNING GRADUATE

Inglis
Est 1867

Analysis: A Magic Millions Fillies & Mares winner in January plus a Group 3 winner at Randwick in February, **SNAPDANCER** drew the outside and led all the way here, allowing few excuses for her

opponents. She began brilliantly and led by more than a length early. Stretching the lead past the 800m, she was eased to be just a length clear at the 600m. Rounding into the straight she slipped away again and was clear by two at the 200m. From the 100m there was only one result and she went to the line full of running for her sixth career win at start 18. **AWAY GAME** sat fifth at the 800m then improved along the rail to be a handy fourth at the 600m. She tracked the winner into the straight, had plenty of room along the rails to challenge and tried hard, but had to settle for second. **SEPTEMBER RUN** was well back (rails) at the 600m, hugged the fence into the straight and finished very strongly along the inside for a very good third. **ANOTHER AWARD** was trapped back of midfield (rails) rounding into the straight, improved and found a split at the 200m then finished quite well for fourth. **BELLA NIPOTINA** was midfield on straightening and finished well out of the pack for fifth. Then followed: Extremely Lucky (AUS), Karacasu (AUS), Sneaky Five (AUS), Magic Max (AUS), last.

Analysis: **SERADESS** was far too sharp here to collect her fourth win and third stakes victory at start nine. She was first out, led by a length early, then two lengths, before Craig Williams put the brakes on at the 800m. She led by a half-length at the 600m and rounding into the straight hugged the fence and slipped clear starting the run home. In front by two lengths at the 200m she was never in danger and kept adding to her lead for an easy win. **GENERAL BEAU** sat a handy third past the 800m, tracked the winner rounding into the straight, went through along the rail from the 300m, then chased, but was never going to catch the winner. **BACCHANALIA** sat outside the winner into the straight and also chased gamely, just holding third from **MANHATTAN TIMES** who ran on strongly from the back for fourth. Then followed: Belle Plaisir (NZ), Starelle (AUS), La Dragontea (GB), Tokorangi (NZ), Kahma Lass (NZ), Wild Imagination (NZ), Magna Bella (AUS), Grandma Gail (AUS), Sirileo Miss (AUS), Brazen Song (AUS), last.

Analysis: A game win here by **SILENT SOVEREIGN** who was wide mostly and tenacious to the line for her fifth win and second stakes success at start 23. She was equal last and wide early, as well as at the 1400m, but a slowish tempo saw her move forward near the 1000m and up to midfield past the 600m. Rounding into the straight she was widest but handy to share fourth starting the run home. She was flat to the 200m, found another gear near the 100m, got her neck in front at the 50m and then held on gamely. **FOXY FRIDA** sat back of midfield (rails) at the 1000m, moved out at the 600m but had nowhere to go at the top of the straight. She found a lane near the 200m and threaded between runners, driving hard, but couldn't catch the winner. **COMICA** shared fifth (rails) at the 600m, moved out to challenge on straightening, led inside the 200m but was collared at the 50m to hold third. **BELLE PLAISIR** finished well between runners to nab fourth near the line. Analysis: **ZAAKI** made it back-to-back Hollindale Stakes victory with another impressive performance in winning here. Having his first start since finishing second in the Queen Elizabeth Stakes (Gr 1, 2000m) at Randwick on April 9, he went to the front and then travelled along at a nice tempo for James McDonald. He held a clear advantage on turning

for home and safely held off his rivals to win well. **POLLY GREY** had a good trip in fourth place, improved approaching the turn, put in her bid at the 200m and then fought well for a good second. **KUKERACHA** settled in sixth place, moved up (deep) at the turn and then finished nicely for a good third. **HUETOR** was seventh coming to the home turn, got along the rails on straightening, got to a challenging position at the 200m and then battled on quite well for (3.8 lengths) fourth with the New Zealand mare **COVENTINA BAY** holding on for (4.3 lengths) fifth after being handily placed at the home turn. Analysis: **NETTUNO** is now unbeaten in three starts after staging another solid on-pace performance in winning here. He travelled well at quite a good tempo in front and then fought off challengers in the straight to score gamely. **MIDNIGHT IN TOKYO** had a nice trip in fifth place on the rails, took a split on straightening, challenged strongly nearing the 100m and then fought well for a good (half-neck) second. **SHEEZA BELTA** settled in third spot on the rails, got along the inner to be in a challenging position at the 200m and then kept battling nicely to retain the minor placing. **BOBUSTO** raced in fourth place, one out and one back, before moving up rounding the home turn. He put in his bid at the 200m and then fought on for (1.7 lengths) fourth. The well-supported **WEST OF AFRICA** settled sixth, improved on turning for home, momentarily looked a threat at the 200m and then battled quite well for (2.2 lengths) fifth. [KB]

Analysis: In an exciting finish progressive three-year-old **PRINCE OF BOOM** claimed victory in a head-bobber to remain unbeaten in three runs this preparation. He settled in fifth place (but trapped three wide) from his difficult barrier (10). He moved up (still deep) rounding the turn, challenged at the 300m and then fought gamely for a very narrow, but very good, win. **SWORD OF STATE**, unbeaten in two-start preparation at Group 3 level at Ellerslie when last in training, resumed here with an impressive effort. He raced outside the leader (Grey Defence), went to the front on turning for home and then fought gallantly all the way down the straight for (nose) second. **GREY DEFENCE** led the field until the home turn and held on well to take the minor placing, 4.5 lengths further back. **MERITABLE** raced in eighth on the rails, switched across heels and into clear running on straightening and then finished well for (5.1 lengths) fourth on his first start since finishing second in the NZ 2,000 Guineas (Gr 1, 1600m) at Riccarton in November. Analysis: In an upset, Listed winner and Group 1 placed **FREE OF DEBT** lunged at the line to bag his sixth win at start 23. He was second into stride but was steadily shuffled back to sit fifth (rails) at the 600m. He found room, two out, rounding into the straight then found a split three out near the 200m. He took a while to wind up, was a length back at the 100m, grabbed second at the 50m then lunged at the line for the win. **SAVATOXL** led at the 600m, was caught, before leading again rounding into the straight, was headed near the 200m, but again led at the 100m before fighting on very gamely for second. **THE INFERNO** sat third last past the 600m, went widest into the straight and kept up a long, strong run to finish a close third. **AYSAR** took over the lead near the 200m then fought well to hold a close fourth. HEADWATER

Leading Second Season Sire 2020-21

Analysis: A nice second here four weeks ago in Listed company, favourite **AITCH TWO OH** is now three from four, notching her maiden stakes win in a fighting finish. She was first away but eased slightly to sit just back and outside the leader. She held second rounding into the straight, challenged near the 200m, had a good tussle to the 50m and then edged into the lead in the last couple of strides. **WINNING REVOLUTION** led narrowly to the top of the straight, was challenged from the 300m, headed but fought back tenaciously and only gave way in the last strides for a great second on debut. **PRAIRIE FLOWER** sat sixth past the 600m, went widest but one rounding into the straight and kept up a strong run for third, the first three clear. Back at the 300m, **WALLY WEST** ran on for a distant fourth. [LJ]

Analysis: SPLENDIFEROUS raced right away in the straight to claim her fifth win and maiden stakes at start 17. She co-led with a lap to run, dropping into second past the 1600m. She was three lengths second at the 1000m, within a half length at the 600m and took over rounding into the straight. Craig Williams shot her clear from the top of the straight, put three lengths on them past the 200m and was never going to be caught, away by five at the line. **DESIGNS** sat third down the back, a distant third at the 1000m, tried to stay with the winner rounding into the straight then chased in vain to the line for second. **DOES IT** shared fourth at the 600, fourth at the 300m then plugged away for third. **COMFORT GIRL** battled on for a distant fourth in a strung out field. Analysis: DISS IS DRAMATIC edged away by three-quarters of a length after a good tussle for her second win (maiden stakes) at start five. She was handy but wide early and had cover when they reached the junction. At the top of the straight she shared third then took third alone and was poised to challenge near the 300m. Tina Comignaghi asked her for an effort at the 200m, formed a line of three at the 100m, then edged into the lead to bag the win. **REDMOND** led at the junction and at the top of the straight, was caught before the 200m, was one of three in line at the 100m, then held on nicely for second. **CHEVEAX** sat second into the straight, challenged and levelled up at the 200m, but was outgunned to the line for third. **DEFIANT**, who was back and in traffic at the 400m, got out and ran home quite well for fourth. Analysis: Backing up from a game second here seven days earlier, **LORD COSMOS** got the last run before winning quite comfortably, his second win (maiden stakes) at start five. He was last away of the six runners and trailed the field as they left the back straight. He passed one at the 800m and gained on the leaders, but still sat second last starting the run home, before moving into fourth at the 200m. Travelling strongly, he challenged from the 100m and from the 50m was too good by a half length. A solid effort by **MAZZOLINO** on debut who was headed at the 800m, sat second into the straight, then co-led at the 400m, before taking over the lead soon after. She looked to have a big chance at the 100m but had no answer when the winner swept by. **WESTWOOD** led from the 800m, co-led into the straight, was headed but never gave up to the line for a solid third. Analysis: **DZSENIKER** took her consistent record to five wins and seven placings from 17 starts in scoring a smart first-up win here, her first success at stakes level. She settled nicely in sixth place, behind a good tempo, before improving (deep) nearing the turn. She took the lead on passing the 200m and then fought back well for a good win. **APRIL RAIN** settled towards the tail of the field from her wide barrier (11), tracked up from the 600m, commenced her bid on passing the 300m and kept finishing well to claim second nearing the post. **CAFÉ ROYAL** was a handy fifth at the 600m, moved up at the 200m and then battled well for a close-up third while the favourite **YAMAZAKI** finished solidly after being second last at the home turn for (1.6 lengths) fourth in an eye-catching effort. Analysis: Lightly raced filly **DYNASTIES** followed her good first-up third in the James Carr Stakes (Gr 3, 1400m) at Randwick on April 16 with a promising effort in scoring here, her first stakes win in six starts to date. She settled beyond midfield and was still well back before improving (deep) nearing the home turn. She then finished solidly, took the lead at the 100m and then fought back for a good win, enhancing her prospects for the Queensland Oaks (Gr 1, 2400m) in the process. The favourite **GYPSY GODDESS** settled well back and was actually last in the 12-runner field coming to the home turn. She then ran on really well for a late-closing (half-length) second. **SMIRK** had a nice trip in fifth place, got into clear running on straightening and kept fighting on well for third. **GIN MARTINI** raced outside the leader (Canadian Dancer) to the home turn and then held on quite well for (1.9 lengths) fourth. Analysis: At start 22 and with four stakes placings to her record, **LIVE DRAMA** broke through for her maiden stakes success and career win seven, proving too strong once in front at the 300m. She settled last but holding the rail ran past two runners and continued to improve to be fifth at the 600m. Still saving ground, she took over second at the top of the straight and led at the 300m. A length clear inside the 200m she was too good, adding another three-quarters of a length when at the post. **KHIMAR WAR** sat a handy fifth at the 1000m, was sixth from the 600m but was pocketed starting the run home. He found room near the 200m and finished well although had no chance against his stablemate. **SCARFI** had two behind him at the 600m, went wider into the straight, challenged at the 300m, moved into second at the 200m but lost second near the post. **STREET FIGHTIN MAN** co-led at the top of the straight, was caught at the 300m but kept fighting all the way to the line. Analysis: Irish-bred import **NUMERIAN** was having his fifth Australian start here and he broke through for his first win in this country, doing so at stakes level. He worked a bit in the early stages before settling outside the leader (Main Stage) at a moderate tempo before being shuffled back to third nearing the turn as the pace picked up. But he quickly recovered, improved at the turn, got to the front halfway down the straight and then went on for a good win. The favourite **GREAT HOUSE** raced in sixth place, but was under riding when the tempo increased at the 600m. He took a split at the turn, moved up to challenge at the 100m and then battled well for (0.8 lengths) second. **MIRANN** was fifth at the 600m, improving (deep) shortly afterwards. He then battled on quite well in the sprint home for third with **SWEET THOMAS** holding on for (2.3 lengths) fourth after being handily placed most of the way. [KB]

Analysis: **BLONDEAU** had not won a race since taking out a Benchmark 88 (1400m) at Randwick in July last year, prior to winning here. He was ridden quietly at his first run since January by Chad Schofield and settled back in 11th place on the rails in the 16-runner field, behind a solid pace. He improved along the rails from the home turn, hit the front halfway down the straight and battled best for a

narrow but good win. The New Zealander **GOSPODIN** began well and vied for the early lead before easing to third at the 600m. He moved up again at the turn, challenged shortly afterwards and then fought well for (half-head) second in a good effort at his Australian debut.

MAJESTIC SHOT raced in seventh place, between runners, got a split on straightening and then fought well for third. **THE FACE** was third early on but soon drove through, closer to the rails, to retain the lead at the 800m. He grabbed a break on turning for home and then battled on well for (2.1 lengths) fourth after running a bold race. [KB]

Analysis: SOXAGON returned to the winners' list here for the first time since winning The Buffering (1400m) at Eagle Farm in January 2021 in scoring here. Having his first start since fifth in this year's edition of The Buffering in January, he was caught deep early on before making a move to be outside the leader (Greyworm) at the 800m. He dashed clear on turning for home and then raced away to score easily by three lengths, relishing the Heavy 9 track. **LAST CHANCE** was sixth, a bit deep, approaching the 600m. He moved up (wide) at the turn, went to second at the 200m and kept fighting on to retain that position to the post. **SALATEEN** was handily placed coming to the turn and she then held on for (6.8 lengths) third. The favourite **SHOOTING FOR GOLD** had a nice trip in third, on the rails, but just battled over the closing stages in the heavy conditions for (7.2 lengths) fourth. [KB]

VERDICT There is a good chance that **Panama Red** will improve from her seasonal debut over 7f, but perhaps not by enough to reverse form with **AGARTHA**, whose second on that occasion underlined her consistency at Pattern level. With the Ballydoyle team in flying form at Chester, **History** has to enter calculations. **Suwayra** is arguably the most appealing of the less exposed runners. [Alan Sweetman]

BETTING FORECAST: 2 Stone Age, 11-4 Atomic Jones, 100-30 Duke de Sessa, 9-2 French Claim, 10 Great Max, Manu Et Corde, 20 Glory Daze.

VERDICT Aidan O'Brien relies on **STONE AGE** in his quest for his 15th victory in this race. With three more runs behind him since his narrow Group 2 defeat here last September, the Galileo colt may turn the tables on the winner **Atomic Jones**. **Duke De Sessa** lost little in defeat on his seasonal and has an edge over wide-margin Cork winner on Eyrefield Stakes running.
